Have you ever thought your mom or special (special) woman in your life should earn a diamond I well I have. My first reason is she takes care of me when I'm sick. For example when I get the flu She did not make me drink the medicine (medicine) that made me gag she went to the pharmacy (pharmacy) at like, 12 am at got more medicine (medicine). My second reasons is she is SUPER kind. For example, I got sick and couldn't go to the school dance so my mom made a reservation at a fancy restaurant (restaurant) down town in Rosswell so I could wear the dress I did so many chores for. I hope my mom will earn a diamond (because she deserves it) Someday!
