Mom mom dezerves (deserves) a dimond (diamond)! because she is the most kind, generiss (generous), caring, loving mom. She has been throug (through) cancer twice my mom says she is okey but it is not ok. She takes care of us all of the time so does dad but I care for her so much I would do any thing for her. It has been so hard for her I try as hard as I can to make her happy but me and my brother know this will make her happy.
